**Columbus Dispatch**

“Clean and expressive...the glow on the surface of this ensemble’s playing goes well with this sweet rhapsodic music.”

**American Record Guide**

One of the most distinguished piano trios in North America, the Newstead Trio’s performances are personified by warmth, energy, and depth of expression. Over the past ten years, they have performed for audiences throughout the United States, Canada, Italy, Hungary, Singapore, and China, where they gave their concerto debut performing Beethoven’s Triple Concerto with the Shenzhen Symphony Orchestra. They made their New York debut at Carnegie Hall, and they have been broadcast live on radio and television.

The Newstead Trio’s innovative and uniquely accessible concert programming combines traditional piano trio literature alongside more contemporary works. These presentations are characterized by a dramatic variety that can be enjoyed by a wide range of audiences and cultures. The Trio has commissioned numerous works by widely respected composers, and has included a world premier performance on each of their three CD’s.

The Newstead Trio is the ensemble in residence at the Pennsylvania Academy of Music and is included on the roster of Pennsylvania Performing Arts on Tour.
